Furminator De-shedding Treatment

The world of pet lovers—and that's pretty much the entire world— has been waiting for a truly effective, inexpensive, easy-to-use solution to the pet hair and dander problem.

Now it's here. It's an ingeniously simple grooming treatment called the FURminator shed-less treatment.

An intense de-shedding/undercoat removal for all of the “shedding breeds” greatly reduces shedding by 60% - 80% for up to 4 - 6 weeks.

Dead Sea Mineral Mud Treatments

The dogs just love this! Cleanses & detoxifies the skin and is excellent for dogs with skin allergies, constant itching and owners allergic to pet dander.

Rich mud containing minerals from the DEAD SEA are massaged into your dogs skin and coat for up to 45 mins. The mud contains Eucalyptus oil which acts as a repellent against ticks and fleas.

The Divazi Dead Sea Mineral Mud Treatment is one of our most popular skin treatments that helps to re-balance the dogs skin. We have had great results and feed back from their owners.

The Grooming Room Pet Spa will tailor this treatment to each individual pets needs dependent on their skin condition.

Hot Oil Treatments

This is a great treatment for pets with very dry skin. The Hot Oil system rejuvenates dry skin and coats and the herbal oils help control body odor.

The Grooming Room Pet Spa Grooming Services

Fresh Facial Scrub

Mild foaming facial cleaner exfoliates, soothes, and hydrates. Contains Vanilla and blueberry to remove tearstains without stinging eyes.

Tooth Brushing

We offer tooth brushing as an additional service as we believe that good dental health can greatly increase the longevity of your pet.

Customers are also encouraged to take the time to brush their pets teeth with the use of our pet dental kits made by Keep It Clean USA.

Shampoos Menu

The Salon provides products for your pet from a range of all natural shampoo manufacturers.

Oatmeal Baking Soda Shampoo ~ contains oatmeal to soothe dry itchy skin, baking soda to neutralize odors and Aloe Vera to condition skin and coat

Berry Delight Shampoo ~ a multi-purpose, deep-cleaning shampoo that contains natural herbs, rosemary and jasmine to clarify, and berry extracts to degrease coats
